

OASFAA Volunteer Committee Report

October 25, 2016

Committee Chair: Ashley Coleman, University of Oregon

2016-2017 Goals:

- Consider ways to recognize volunteers throughout the year
- Work with Conference Committee and EC to award certificates to all volunteers at the 2017 Annual Conference

Recent Activities:

- Since the last meeting on 7/20/16, we have had **23 people** express volunteer interest
 - Has everyone been checking their “Potential New Committee Members” frequently and contacting people that are interested in participating?
- Would like to develop timeline of when we are looking for volunteers (e.g., after Annual Conference, when new committee chairs are named, throughout the year) to know when to email membership and give committee chairs a better idea of when to contact potential volunteers
- Sent Volunteer Spotlight article featuring Mark Diestler to Communications Committee chairs for inclusion in next newsletter issue

Budget: \$20
