

OASFAA Volunteer Committee Report

May 17, 2017

Volunteer Coordinator: Ashley Coleman, University of Oregon

2017-2018 Goals:

- Consider ways to recognize volunteers throughout the year
- Work with Conference Committee and EC to award certificates to all volunteers at the 2018 Annual Conference

Recent Activities:

- Since the last meeting on 1/31/17, we have had **29 people** express volunteer interest
 - Have all chairs been checking their “Potential New Committee Members” frequently and contacting people that are interested in participating on their committee?
- Emailed membership on 2/9/17 to update their volunteer preferences; good response level
- Coordinated Carlos Villarroel being featured in the Volunteer Spotlight for the spring issue of the newsletter
- I’m also serving as the Chair of WASFAA’s Volunteer Development this year, so hoping to pick up a few ideas from that to use for OASFAA

Budget: TBD, proposed \$20
